ALL ACTIONS.

CLASS ACTION

NOTICE OF SETTLEMENT OF CLASS ACTION

TO THE FOLLOWING CLASS:

All persons who were participants in or beneficiaries of the GE 401(k) Plan, a/k/a GE Retirement Savings Plan and its predecessor the GE Savings and Security Program, as well as participants whose accounts were transferred from the GE Retirement Savings Plan and merged into a successor plan created in connection with the spinoff of a GE company (the "Plan") and who were at any time between September 26, 2011 to August 3, 2023 (the "Class Period") invested in the GE Institutional Strategic Investment Fund (a/k/a State Street Institutional Strategic Investment Fund), the GE Institutional Small Cap Equity Fund (a/k/a State Street Institutional Small Cap Equity Fund), the GE Institutional International Equity Fund (a/k/a State Street Institutional International Equity Fund), the GE RSP Income Fund (a/k/a State Street Income Fund), or the GE RSP U.S. Equity Fund (a/k/a State Street U.S. Core Equity Fund (collectively, the "GE Funds"), excluding Defendants (identified below), Named Fiduciaries of the Plan between September 26, 2011 and July 1, 2016, the officers and directors of General Electric Company ("GE") and GE Asset Management ("GEAM") between September 26, 2011 and July 1, 2016, and members of the immediate families and the legal representatives, heirs, successors, or assigns of any such excluded party.

Please note that the Class Period, now ending August 3, 2023, has been modified from the Court's original certification order which ended at the date of Judgment. This modification was primarily made to ensure that all Class Members receive timely notice. Had the Class Period continued to conclude on the date of Judgment, it would have been possible for an individual to become a Class Member after the Notice was distributed and after the objection deadline passed. In addition, the above exclusions have also been modified from the Court's original certification order because the original certification order excluded fiduciaries of the Plan and GE and GEAM officers and directors after the date of GEAM's sale to State Street Corporation on July 1, 2016, through the date of Judgment, even though Plaintiffs had voluntarily dismissed Defendants who did not serve on fiduciary committees until after July 1, 2016. The exclusions have thus been modified both to provide clarity as to the date range and to be more consistent with Plaintiffs' allegations. The exclusion of "Named Fiduciaries," as opposed to the previously undefined term "fiduciaries" in the original certification order, is similarly intended to provide clarity as to the scope of excluded individuals.

**PLEASE READ THIS NOTICE CAREFULLY. A FEDERAL COURT AUTHORIZED THIS NOTICE.
THIS IS NOT A SOLICITATION.**

Defendants have agreed that GE, GEAM, and/or their respective insurers will pay \$61,000,000 into a settlement fund in this class action lawsuit, *In re GE ERISA Litigation*, No. 1:17-cv-12123-IT (the “Action”) brought under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Class Members are eligible to receive a *pro rata* share of the Net Settlement Fund pursuant to the Plan of Allocation set forth below. The Net Settlement Fund is the amount in the Settlement Fund remaining after payment of Notice and Administration Costs, any Attorneys’ Fees and Expenses that the Court awards to Class Counsel, and any Incentive Awards to Plaintiffs.¹ The amount of each Class Member’s payment is based on the Plan of Allocation. Payments to current Plan participants will be deposited into their respective Plan accounts. Payments to former Plan participants will be made directly to former Plan participants by check, or former Plan participants can instead elect to receive their payment through a rollover to a qualified retirement account.

The United States District Court for the District of Massachusetts (the “Court”) has preliminarily approved the proposed settlement (the “Settlement”). The Settlement is between Plaintiffs Maria LaTorre, Robyn Berger, Brian Sullivan, Frank Magliocca, Melinda Stubblefield, Kristi Haskins, Laura Scully, Donald J. Janak, John Slatner, and Chip Knight (collectively, “Plaintiffs”), individually and on behalf of the Class, and defendants GE, GEAM, Benefit Plans Investment Committee, GEAM Committee, Carol Anderson, Jeffrey Bornstein, Matthew Cribbins, John Flannery, Puneet Mahajan, Trevor Schauenberg, Keith Sherin, Brian Worrell, Dmitri Stockton, George Bicher, Paul Colonna, Michael J. Cosgrove, Gregory Hartch, Jessica Holscott, Ralph Layman, Matthew J. Simpson, Donald W. Torey, John Walker, David Wiederecht, Tracie Winbigler, Matthew Zakrzewski, Jeanne M. LaPorta, the GE Pension Board, the GE Board of Directors, and the nominal defendant the Plan (collectively, “Defendants” and with Plaintiffs, the “Parties”). The Settlement would release Defendants and certain related parties from any and all Plaintiffs’ Released Claims defined below under question 11.

The Court has authorized this Notice to provide you with summary information with respect to the Settlement. The terms and conditions of the Settlement are set forth in the Settlement Agreement, dated September 29, 2023. Any capitalized terms used in this Notice but not defined here have the meanings assigned to them in the Settlement Agreement. The Settlement Agreement and additional information with respect to the Action and the Settlement are available at www.ge401ksettlement.com or from Class Counsel, who are listed on page 3 below.

The Court has scheduled a hearing to determine whether to grant final approval of the Settlement and Class Counsel’s motion for an award of Attorneys’ Fees and Expenses and Plaintiffs’ Incentive Awards (the “Fairness Hearing”). The Fairness Hearing, which will take place before the Honorable Indira Talwani, is scheduled for March 7, 2024, at 2:30 p.m., in Courtroom 9 at the John Joseph Moakley U.S. Courthouse, 1 Courthouse Way, Suite 2300, Boston, Massachusetts 02210. If approved, the Settlement will bind you as a member of the Class. You may appear at this hearing and/or object to the Settlement. Any objections to the Settlement, the Plan of Allocation, the request for Attorneys’ Fees and Expenses, or the request for Incentive Awards must be served in writing on the Court. More information about the hearing and how to object is explained on pages 14 and 15 of this Notice.

PLEASE READ THIS NOTICE CAREFULLY AND COMPLETELY. IF YOU ARE A MEMBER OF THE CLASS TO WHOM THIS NOTICE IS ADDRESSED, THE SETTLEMENT MAY AFFECT YOUR RIGHTS. YOU ARE NOT BEING SUED IN THIS MATTER. YOU DO NOT NEED TO APPEAR IN COURT, AND YOU DO NOT NEED TO HIRE AN ATTORNEY IN THIS CASE. YOU CAN, IF YOU DESIRE, RETAIN YOUR OWN COUNSEL AT YOUR OWN EXPENSE. IF YOU ARE IN FAVOR OF THE SETTLEMENT, YOU DO NOT NEED TO DO ANYTHING. IF YOU DISAPPROVE, YOU MAY OBJECT TO THE SETTLEMENT UNDER THE PROCEDURES DESCRIBED BELOW AND AS FURTHER DETAILED HEREIN AT PAGE 14.

You Can Do Nothing. No Action is Necessary to Receive Payment.	If the Settlement is approved by the Court and you are a member of the Class, you will not need to do anything to receive a payment.
You Can Object (by February 15, 2024).	You can write to the Court if you do not like the Settlement.

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings provided in Settlement Agreement, dated September 29, 2023, which is available on the Settlement website, www.ge401ksettlement.com.

Questions? Please visit www.ge401ksettlement.com or call 1 (866) 886-6884.

Do not call the Company or the Court as they cannot answer your questions.

You Can Go to a Hearing (on March 7, 2024).	If you have submitted written objections, you can also ask to speak in Court about the fairness of the Settlement.
--	--

These rights and options – **and the deadlines to exercise them** – are explained in this Notice.

At the Fairness Hearing, the Court will determine whether to approve the Settlement. Payments will be made to authorized members of the Class only if the Court approves the Settlement and that approval is upheld in the event of any appeals. SUMMARY OF CASE

This is a certified class action on behalf of all participants in GE's 401(k) Plan, a/k/a the GE Retirement Savings Plan and its predecessor the GE Savings and Security Program, as well as participants whose accounts were transferred from the GE Retirement Savings Plan and merged into a successor plan created in connection with the spinoff of a GE company (the "Plan"), who invested in the GE Funds between September 26, 2011 to August 3, 2023 (the "Class Period"), and on behalf of the Plan, alleging breach of fiduciary duties of loyalty and prudence and prohibited transactions in violation of the Employee Retirement Income Security Act of 1974, 29 U.S.C. §1001, et seq. ("ERISA").

As described in more detail in the Second Consolidated Amended Complaint filed on March 9, 2018 (which is the operative complaint and hereafter referred to as the "Complaint"), this Action concerns allegations that Defendants breached fiduciary duties owed to participants and beneficiaries in the Plan during the Class Period. Defendants deny all of the claims made in the Complaint, deny all allegations of wrongdoing, and deny that the Plaintiffs, the Class Members, the Plan, or any of the Plan's current or former participants suffered any losses. Defendants further maintain that they acted prudently and loyally at all times when acting in any fiduciary capacity with respect to the Plan.

Plaintiffs have alleged that the GE Funds were managed by GEAM, GE's wholly owned investment management company, until the sale of its assets to State Street Corporation on July 1, 2016. The GE Funds are alleged to have underperformed other comparable funds during the Class Period. The claims are based upon, *inter alia*, the allegations that Defendants did not add better performing comparable funds, remove any of the GE Funds, or replace GEAM as the GE Funds' manager, which Plaintiffs alleged breached ERISA duties of loyalty and prudence to monitor and remove the allegedly underperforming funds from the Plan.

On March 16, 2020, the Court certified a class of Plan participants who invested in any of the following:

- GE RSP U.S. Equity Fund
(a/k/a State Street U.S. Core Equity Fund)
- GE RSP Income Fund
(a/k/a State Street Income Fund)
- GE Institutional International Equity Fund
(a/k/a State Street Institutional International Equity Fund)
- GE Institutional Strategic Investment Fund
(a/k/a State Street Institutional Strategic Investment Fund)
- GE Institutional Small Cap Equity Fund
(a/k/a State Street Institutional Small Cap Equity Fund)

SUMMARY OF SETTLEMENT

GE, GEAM, and/or their respective insurers will contribute, or cause to be contributed, into an Escrow Account \$61,000,000 in cash. After payment of Attorneys' Fees and Expenses, Incentive Awards to the Plaintiffs, and Notice and Administration Costs, the amount remaining (the "Net Settlement Fund") shall be allocated among authorized members of the Class according to a Plan of Allocation to be approved by the Court. The Plan of Allocation is described on pages 7 through 12, below.

STATEMENT OF POTENTIAL OUTCOME OF THE ACTION

Class Counsel believe Plaintiffs' claims against Defendants are well grounded in law and fact, and that Defendants breached their fiduciary duties under ERISA. However, as with any litigated case, the Class would face an uncertain outcome if Plaintiffs continued the Action against Defendants. Continuing the Action could result in a judgment or verdict greater or less than the recovery under the Settlement Agreement, or it could result in no recovery at all. In evaluating the Settlement, Class Counsel have considered the range of possible recoveries if the claims against Defendants were adjudicated rather than settled.

Class Counsel believe that this Settlement provides substantial consideration in exchange for the Plaintiffs' Released Claims in light of the range of probable outcomes. When the Parties mediated the case and agreed to the proposed Settlement, the Parties were preparing for argument on summary judgment motions and were moving towards trial. If the Court had granted Defendants' motion for summary judgment, it was likely there would have been no recovery for Plaintiffs or the Class. Class Counsel believe that the Settlement is preferable to continuing the Action and is in the best interests of the Class because the Settlement provides certainty to the Class with respect to the amount and timing of recovery and will, if approved, result in the recovery actually being realized substantially sooner than it would be were the Action successfully litigated to a conclusion.

Throughout this Action, Defendants have denied and continue to deny the factual allegations and legal claims asserted by Plaintiffs.

The Parties have concluded that a full and final settlement of the Action on the terms and conditions set forth in the Settlement Agreement is desirable to avoid the costs and risk of further litigation.

STATEMENT OF ATTORNEYS' FEES AND EXPENSES SOUGHT IN THE ACTION

Class Counsel in the Action will file a fee petition with the Court no later than February 1, 2024, in which they will ask the Court to award them attorneys' fees not in excess of one-third of the Settlement Amount, plus their expenses, and any interest earned thereon. Expenses are estimated not to exceed \$1.7 million. Any Attorneys' Fees and Expenses awarded by the Court will be deducted from the Settlement Fund.

WHAT WILL THE PLAINTIFFS GET?

Plaintiffs will share in the allocation of the money paid to the Plan on the same basis and to the same extent as all other members of the Class. In addition, Class Counsel will petition the Court for Incentive Awards not to exceed \$25,000 for each Plaintiff in recognition of his/her efforts prosecuting this Action for approximately six years on behalf of the Class.

BASIC INFORMATION

1. Why did I get this Notice package?

You or someone in your family is or may have been a participant in the Plan, and invested in the GE Funds through an account in the Plan between September 26, 2011 and August 3, 2023, inclusive. The Court ordered this Notice to be sent to you because, if you fall within that group, you have a right to know about the Settlement and about all of your options before the Court decides whether to approve the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the net amount of the Settlement Fund will be allocated among authorized members of the Class according to a Court-approved Plan of Allocation. This Notice package describes the Action, the Settlement, your legal rights, the benefits available, who is eligible for them, and how to get them.

The Court in charge of this case is the United States District Court for the District of Massachusetts. The individuals who sued are called the "Plaintiffs," and the people and entities they sued are called "Defendants."

Questions? Please visit www.ge401ksettlement.com or call 1 (866) 886-6884.

Do not call the Company or the Court as they cannot answer your questions.

2. Why is this case a class action?

In a class action, one or more plaintiffs called “Class Representatives” sue on behalf of all people who have similar claims. All of the individuals on whose behalf the Class Representatives are suing are “Class Members.” In a class action, one court resolves the issues for all Class Members. In the Preliminary Approval Order scheduling the Fairness Hearing, the Court approved the requested modification of the Class, as certified on March 16, 2020, such that the Class Period ends on August 3, 2023. The Class Representatives in this Action are Plaintiffs, who were participants in the Plan during the Class Period, and are referred to in this Notice as the “Plaintiffs.”

3. What is the Action about and what has happened?

The Complaint seeks equitable and compensatory relief pursuant to Sections 409(a), 502(a)(2), 502(a)(3), and 406(b) of ERISA, specifically the restoration by Defendants to the Plan of losses allegedly caused by Defendants’ alleged breaches of fiduciary duties. The Complaint also seeks costs and attorneys’ fees pursuant to Section 502(g) of ERISA and the common fund doctrine.

In May, June, and July 2023, Class Counsel and Defendants’ Counsel mediated the Action under the supervision of Robert A. Meyer, Esq., a mediator experienced in ERISA and other complex class actions. During the full-day mediation and in ensuing discussions, counsel for the Parties conducted extensive, arm’s-length negotiations concerning a possible compromise and settlement of the Action, eventually resulting in the Parties reaching an agreement-in-principle to settle that was subject to the Parties’ documentation of the Settlement Agreement, as well as approval by the Court.

During August and September 2023, counsel for the Parties negotiated the terms of the Settlement Agreement and related documents. On October 6, 2023, Plaintiffs filed a motion seeking preliminary approval of the Settlement as well as seeking related relief.

4. Why is there a settlement?

No final decision has been reached with respect to Plaintiffs’ claims against Defendants. Instead, Plaintiffs and Defendants have agreed to a settlement. In reaching the Settlement, they have avoided the costs, risks, uncertainty, time, and disruption of prolonged litigation and trial.

Class Counsel believe the Settlement is in the interests of the Class. The reasons they believe this to be so are described above in the section entitled “Statement of Potential Outcome of the Action.”

WHO IS IN THE SETTLEMENT

To determine if any of the proceeds of this Settlement will be allocated to you, you first must determine whether you are a member of the Class.

5. How do I know whether I am part of the Settlement?

All participants in the Plan during the Class Period, who were invested in one or more of the “GE Funds” – *i.e.*, the GE Institutional Strategic Investment Fund (a/k/a State Street Institutional Strategic Investment Fund) (“Strategic Investment Fund”); the GE Institutional Small Cap Equity Fund (a/k/a State Street Institutional Small Cap Equity Fund) (“Small Cap Equity Fund”); the GE Institutional International Equity Fund (a/k/a State Street Institutional International Equity Fund) (“International Equity Fund”); the GE RSP U.S. Equity Fund (a/k/a State Street U.S. Core Equity Fund) (“U.S. Equity Fund”); and the GE RSP Income Fund (a/k/a State Street Income Fund) (“Income Fund”) – are members of the Class.

If your account was recently transferred to a successor 401(k) plan created in connection with the spinoff of a GE company and you invested in one or more of the GE Funds during the Class Period, you are a member of the Class.

Please note that the Class Period, now ending August 3, 2023, has been modified from the Court’s original certification order which ended at the date of Judgment. This modification was primarily made to ensure that all Class Members receive timely notice. Had the Class Period continued to conclude on the date of Judgment, it would have been possible for an individual to become a Class Member after the Notice was distributed and after the objection deadline passed. In addition, the above exclusions have also been modified from the Court’s original certification order because the original certification order excluded fiduciaries of the Plan and GE and GEAM officers and directors after the date of GEAM’s sale to State Street Corporation on July 1, 2016, through the date of Judgment, even though Plaintiffs had voluntarily dismissed Defendants who did not serve on fiduciary committees until after July 1, 2016. The exclusions have thus been modified both to provide clarity as to the date range and to be more consistent with Plaintiffs’ allegations. The exclusion of “Named Fiduciaries,” as opposed to the previously undefined term “fiduciaries” in the original certification order, is similarly intended to provide clarity as to the scope of excluded individuals.

Questions? Please visit www.ge401ksettlement.com or call 1 (866) 886-6884.

Do not call the Company or the Court as they cannot answer your questions.

It is not necessary for you to provide any records. Your claim will be processed and your allocation calculated by the Settlement Administrator.

6. Are there exceptions to being included?

Excluded from the Class are (a) Defendants, (b) any Named Fiduciaries of the Plan between September 26, 2011 and July 1, 2016, (c) the officers and directors of GE and GEAM between September 26, 2011 and July 1, 2016, and (d) members of the immediate families and the legal representatives, heirs, successors or assigns of any such excluded party. Please note that the Class Period, now ending August 3, 2023, has been modified from the Court's original certification order which ended at the date of Judgment. This modification was primarily made to ensure that all Class Members receive timely notice. Had the Class Period continued to conclude on the date of Judgment, it would have been possible for an individual to become a Class Member after the Notice was distributed and after the objection deadline passed. In addition, the above exclusions have also been modified from the Court's original certification order because the original certification order excluded fiduciaries of the Plan and GE and GEAM officers and directors after the date of GEAM's sale to State Street Corporation on July 1, 2016, through the date of Judgment, even though Plaintiffs had voluntarily dismissed Defendants who did not serve on fiduciary committees until after July 1, 2016. The exclusions have thus been modified both to provide clarity as to the date range and to be more consistent with Plaintiffs' allegations. The exclusion of "Named Fiduciaries," as opposed to the previously undefined term "fiduciaries" in the original certification order, is similarly intended to provide clarity as to the scope of excluded individuals.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

The Settlement Amount is \$61,000,000. GE, GEAM, and/or their respective insurers shall contribute, or cause to be contributed, the Settlement Amount into an interest-bearing Escrow Account. The net amount in the Escrow Account, after payment of Court-approved Attorneys' Fees and Expenses, the Incentive Awards, and Notice and Administration Costs (the "Net Settlement Fund"), will be allocated to Class Members according to a Plan of Allocation to be approved by the Court if and when the Court enters an order finally approving the Settlement.

8. How much will an individual payment be?

GE, GEAM, and/or their respective insurers have agreed to pay \$61,000,000 into a Settlement Fund, which will be used to pay Notice and Administration Costs, Attorneys' Fees and Expenses, and Incentive Awards to Plaintiffs (the latter two items requiring Court approval), and payments to Class Members. Under the proposed Plan of Allocation (which is subject to the Court's approval), your share of the Net Settlement Fund will depend on the amount of your investment in the GE Funds in your Plan account during the Class Period. The share of the Net Settlement Fund to be distributed to Class Members will be determined according to the following formula:

A. Your Net Loss Is Calculated

Calculation of payments to individual Class Members. Payments to each Class Member shall be calculated by the Settlement Administrator as follows, based on information provided by the Plan's recordkeeper:

For each Class Member, the Settlement Administrator shall determine a "Settlement Allocation Score." The Settlement Allocation Score shall be calculated as follows:

- (a) Each Class Member shall commence with one (1) point for every dollar held in a GE Fund at the beginning of each quarter during the Class Period.
- (b) Each Class Member's quarterly points shall then be multiplied by a Factor based on the performance of each of the GE Funds as compared to the Benchmark ("Benchmark Return") for each quarter during the Class Period referred to as a "Fund/Quarter Factor."
 - (i) The Fund/Quarter Factor shall be represented as a number representing the performance of each GE Fund subtracted from its respective Benchmark Return in each quarter.
 - (ii) In any quarter in which a GE Fund outperformed relative to the Benchmark, the Fund/Quarter Factor will be negative; in any quarter in which a GE Fund underperformed relative to the Benchmark, the Fund/Quarter Factor will be positive.

Questions? Please visit www.ge401ksettlement.com or call 1 (866) 886-6884.

Do not call the Company or the Court as they cannot answer your questions.

- (iii) The Benchmarks shall be ETF investments with identical indices as represented by the Hewitt-EnnisKnupp benchmarks. The Income Fund, with benchmark Bloomberg US Aggregate Bond, will use the iShares Core US Aggregate ETF with ticker AGG. The U.S. Equity Fund, with benchmark S&P 500, will use the iShares Core S&P 500 ETF with ticker IVV. The International Equity Fund, with benchmark MSCI EAFE, will use the iShares MSCI EAFE ETF with ticker EFA. The Benchmark for the Strategic Investment Fund will be a blend of the three ETF's defined above, specifically 35% IVV, 25% EFA and 40% AGG.
- (iv) For the Small Cap Equity Fund, the Benchmark Return will be assumed to be 0.00 and the corresponding quarterly return of the fund will be assumed to be the negative of one-fourth of the prevailing annual expense ratio times 0.31. The additional factor of 0.31 reflects the percent of the expense ratio earned by GE and excludes the sub-advisory component of the total management fee.
- (v) The quarterly returns of the Benchmarks and the GE Funds that will be used to calculate the Fund/Quarter Factors are listed in Table A.
- (vi) Each Fund/Quarter Factor is calculated as the Benchmark Return minus the Subject Fund return, and are listed in Table B.
- (c) For each quarter, the Settlement Administrator shall calculate a Class Member's quarterly points as follows.
 - (i) The Settlement Administrator shall determine the Points the Class Member receives for each GE Fund. To do so, the Settlement Administrator shall multiply the amount the Class Member held in each GE Fund by the Factor applicable to that GE Fund in that quarter. This determines the points the Class Member receives for that GE Fund in that quarter.
 - (ii) The Settlement Administrator shall then add up the Points the Class Member earned for each GE Fund in that quarter. The sum is the total points the Class Member receives for that quarter.
- (d) The Settlement Administrator will then add up the total number of Points the Class Member received in each quarter the Class Member held any GE Fund. The larger of this sum and zero is the Class Member's Settlement Allocation Score.
- (e) The Settlement Administrator shall calculate each Class Member's Settlement Allocation Score according to the above-described process.

The Settlement Administrator shall determine each Class Member's share of the Net Settlement Fund based on his or her Settlement Allocation Score compared to the sum of all Class Members' Settlement Allocation Scores. Each Class Member's share of the Net Settlement Fund shall be referred to as the "Entitlement Amount."

You do not need to submit records concerning your Plan account to receive a payment. If you are entitled to a share of the Net Settlement Fund, you will receive a statement from the Plan's recordkeeper or the Settlement Administrator showing the amount of your share and how it was calculated. If you have questions regarding the Settlement or the Plan of Allocation, please contact the Settlement Administrator or Class Counsel, who are listed on page 3 of this Notice.

9. How can I get a payment?

Class Members do not have to submit claim forms in order to receive Settlement benefits.

The benefits of the Settlement will be distributed after the Court approves the Settlement and/or after any appeals have been resolved in favor of the Settlement, either to Class Members' Plan accounts (for current Plan participants) or by check (for former Plan participants, and eligible Beneficiaries and Alternate Payees of Class Members).

Questions? Please visit www.ge401ksettlement.com or call 1 (866) 886-6884.

Do not call the Company or the Court as they cannot answer your questions.

Former Plan participants who would prefer to receive their settlement payment through a rollover to a qualified retirement account must complete, sign, and mail the enclosed Former Participant Rollover Form by March 18, 2024. If you are a former Plan participant who timely submits a valid Former Participant Rollover Form, the Settlement Administrator will effect a rollover of your share of the Net Settlement Fund to your qualified retirement account that you indicated in that Form after the Settlement has received final approval and/or after any appeals have been resolved in favor of the Settlement.

If you are a former Plan participant and do not complete, sign, and mail a Former Participant Rollover Form, a check in the amount of your share of the Settlement Fund will be issued to you after the Settlement has received final approval and/or after any appeals have been resolved in favor of the Settlement.

10. When will payments be made?

The Net Settlement Fund will be allocated to members of the Class pursuant to the Plan of Allocation as soon as possible after the Court grants final approval of the Settlement (and includes the exhaustion of any appeals). Any appeal of the final approval may delay distribution by a year or more. Please be patient.

There Will Be No Payments if the Settlement Is Terminated

The Settlement Agreement may be terminated on several grounds, including: (1) if the Court does not approve the Settlement or any material part of it without the Parties' consent; or (2) if the Court's order approving the Settlement is reversed or materially modified on appeal. The Settlement Agreement describes in detail the conditions under which the Settlement may be terminated. In the event any of these conditions occurs, there will be no settlement payment made, and the Action will resume.

PLAINTIFFS' AND THE CLASS'S RELEASE OF CLAIMS

11. What Do I Give Up as a Result of the Settlement?

The Settlement provides that Plaintiffs and every Class Member shall release all Plaintiffs' Released Claims defined as:

any and all claims, actions, demands, rights, obligations, liabilities, damages, attorneys' fees, expenses, costs, and causes of action, whether known or unknown (including Unknown Claims as defined in the Settlement Agreement), whether class, derivative, or individual in nature against any of the Released Parties and Defendants' Counsel:

- (a) that were asserted in the Action or Consolidated Actions (including any assertion set forth in the Complaints in each Consolidated Action, the First Amended Complaint, the Second Amended Complaint, or any other submission made by the Class Representatives, their expert witnesses, or Class Counsel in connection with the Action), or could have been asserted in the Action or Consolidated Actions, or that otherwise arise out of, relate to, are based on, or have any connection with any of the allegations, acts, omissions, purported conflicts, representations, misrepresentations, facts, events, matters, transactions, or occurrences asserted in the Action or Consolidated Actions, whether or not pleaded in the Complaints, the First Amended Complaint, or the Second Amended Complaint, including, but not limited to, those that arise out of, relate to, are based on, or have any connection with: (1) the Class Period selection, retention, and monitoring of the Plan's investment options; (2) the Class Period performance, fees, and other characteristics of the Plan's investment options; (3) the Class Period Plan's fees and expenses, including, without limitation, fees and expenses associated with the nomination, appointment, retention, monitoring, and removal of the Plan's fiduciaries; (4) the Class Period compliance with the Plan's governing documents with respect to the selection, retention, and monitoring of the Plan's investment options; (5) alleged self-dealing or prohibited transactions during the Class Period in relation to the Plan's investment options; and (6) any alleged connection between the GE Funds and the sale of GEAM to State Street Corporation during the Class Period;
- (b) that would be barred by *res judicata* based on the Court's entry of the Final Judgment and Order of Dismissal with Prejudice;
- (c) that relate to the direction to calculate, the calculation of, and/or the method or manner of the allocation of the Net Settlement Fund pursuant to the Plan of Allocation; or
- (d) that relate to the approval by the Independent Fiduciary of the Settlement Agreement, unless brought by the Independent Fiduciary alone.
- (e) Plaintiffs' Released Claims do not include: (i) claims to enforce the Settlement Agreement; (ii) claims for denial of benefits from the Plan other than as may be encompassed in subparagraph (a) above; and (iii) any claims not expressly released in paragraph 1.42 of the Settlement Agreement.

Questions? Please visit www.ge401ksettlement.com or call 1 (866) 886-6884.

Do not call the Company or the Court as they cannot answer your questions.

PARTICIPATION IN THE SETTLEMENT

12. Can I exclude myself from the Settlement?

No. If the Court approves the Settlement, it will do so under Federal Rule of Civil Procedure 23(b)(1), which does not permit Class Members to opt out of the Class. If the Court approves the Settlement, you will be bound by it and will receive whatever benefits you are entitled to under its terms. **Therefore, you will be bound by any judgments or orders that are entered in this Action, and, if the Settlement is approved, you will be deemed to have released Defendants and certain related parties from any and all Plaintiffs' Released Claims.**

Although you cannot opt out of the Settlement, you can object to the Settlement and ask the Court not to approve the Settlement. See the section entitled "How do I tell the Court that I don't like the Settlement?" below.

THE LAWYERS REPRESENTING YOU

13. Do I have a lawyer in the case?

The Court has designated Class Counsel as counsel for the Class. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. How will the lawyers be paid?

Class Counsel have pursued this Action on a contingent basis and for six years advanced all expenses necessary to litigate the Action. Class Counsel will file a motion for an award of Attorneys' Fees and Expenses. This motion will be considered at the Fairness Hearing. As previously described, Class Counsel will seek an award of attorneys' fees not to exceed one-third of the Settlement Amount plus their expenses in an amount not to exceed \$1.7 million, including interest earned thereon. Attorneys' Fees and Expenses awarded by the Court will be deducted from the Settlement Fund.

OBJECTING TO THE SETTLEMENT OR THE ATTORNEY FEES

You can tell the Court that you do not agree with the Settlement or some part of it.

15. How do I tell the Court that I don't like the Settlement?

If you are a member of the Class, you can object to the Settlement if you do not like any part of it. You can give reasons why you think the Court should not approve the Settlement, the Plan of Allocation, the Attorneys' Fees and Expenses, and/or the Incentive Awards. The Court will consider your views. To object, you must send a letter or other written filing describing your membership in the Class and saying that you object to the Settlement, the Plan of Allocation, the Attorneys' Fees and Expenses, and/or the Incentive Awards. Your objection must identify all class actions to which you and your counsel have previously objected. Be sure to include the following case caption and notation: "In re GE ERISA Litigation, 1:17-cv-12123-IT." In addition, your objection must also include your name, address, telephone number, signature, the dates you invested in each of the GE Funds and the reasons you object to the Settlement, the Plan of Allocation, the Attorneys' Fees and Expenses, and/or the Incentive Awards, including any legal or evidentiary support. **File the objection with the Clerk of the United States District Court for the District of Massachusetts, John Joseph Moakley U.S. Courthouse, 1 Courthouse Way, Boston, MA 02210, so that it is received by no later than February 15, 2024. If your objection is not timely received, the Court will not consider it.**

Class Members submitting written objections are not required to attend the Fairness Hearing, but any Class Member wishing to be heard orally in opposition to the approval of the Settlement, the Plan of Allocation, the application for an award of Attorneys' Fees and Expenses, and/or the request for Plaintiffs' Incentive Awards must file a written objection and indicate in the written objection their intention to appear at the hearing.

You may attend the Fairness Hearing, and you may ask to speak, but you do not have to attend. The Court has scheduled the Fairness Hearing to be held on March 7, 2024, at 2:30 p.m., at the John Joseph Moakley U.S. Courthouse, 1 Courthouse Way, Suite 2300, Boston, Massachusetts 02210. The hearing may be adjourned at the discretion of the Court without further notice to you except as may be provided on the docket of this Action maintained by the Court.

No, but you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to voice your objection in person. As long as you mail your written objection, as directed above, so that it is received on time, the Court will consider it when determining whether to approve the Settlement as fair, reasonable, and adequate. You also may pay your own lawyer to attend the Fairness Hearing, but attendance is not necessary.

Former Participants that would like to elect to receive their settlement payment through a rollover to a qualified retirement account must complete, sign, and mail this form with a postmark on or before **10 days after Fairness Hearing, March 18, 2024**. Please review the instructions below carefully. **Former Participants who do not complete and timely return this form will receive their settlement payment by a check payable to them.** If you have questions regarding this form, you may contact the Settlement Administrator as indicated below:

2. **Mail your completed Former Participant Rollover Form postmarked on or before 10 days after the Fairness Hearing, on March 18, 2024, to the Settlement Administrator at the following address:**

It is your responsibility to ensure the Settlement Administrator has timely received your Former Participant Rollover Form.

3. Other Reminders:
 - You must provide your date of birth, social security number, signature, and a completed Substitute IRS Form W-9, which is attached as part 5 to this form.
 - If you desire to do a rollover and you fail to complete all of the rollover information in Part 4, below, payment will be made to you by check.
 - If you change your address after sending in your Former Participant Rollover Form, please provide your new address to the Settlement Administrator.
 - **Timing of Payments to Eligible Class Members.** The timing of the distribution of the settlement payments are conditioned on several matters, including the Court's final approval of the Settlement and any approval becoming final and no longer subject to any appeals in any court. An appeal of the final approval order may take several years. If the Settlement is approved by the Court, and there are no appeals, the Settlement distribution likely will occur within six months of the Court's Final Approval Order.

4. **Questions?** If you have any questions about this Former Participant Rollover Form, please call the Settlement Administrator at (866) 886-6884. The Settlement Administrator will provide advice only regarding completing this form and will not provide financial, tax or other advice concerning the Settlement. You therefore may want to consult with your financial or tax advisor. Information about the status of the approval of the Settlement and the Settlement administration is available on the settlement website, www.ge401ksettlement.com.

You are eligible to receive a payment from a class action settlement. The Court has preliminarily approved the class settlement of *In re GE ERISA Litigation*, Master File No. 1:17-cv-12123-IT (D. Mass.). That settlement provides allocation of monies to the individual accounts of certain persons who participated in the GE Retirement Savings Plan ("Plan") at any time between September 26, 2011 and August 3, 2023 ("Class Members"). Class Members who had a Plan account with a balance greater than \$0.00 during the Class Period but who do not have a Plan account with a balance greater than \$0.00 as of August 3, 2023 ("Former Participants") will receive their allocations in the form of a check or in the form of a rollover if and only if they mail a valid Former Participant Rollover Form postmarked on or before **10 days after Fairness Hearing, March 18, 2024**, to the Settlement Administrator with the required information to effectuate the rollover. For more information about the Settlement, please see the Notice of Settlement of Class Action, visit www.ge401ksettlement.com, or call (866) 886-6884

Because you are a Former Participant in the Plan, you must decide whether you want your payment (1) sent payable to you directly by check or (2) to be rolled over into another eligible retirement plan or into an individual retirement account ("IRA"). To elect a rollover, please complete and mail this Former Participant Rollover Form postmarked on or before **10 days after Fairness Hearing, March 18, 2024**, to the Settlement Administrator. If you do not return this form, your payment will be sent to you directly by check.
